

EU-Suriname: Country project examples

#GlobalGateway #TeamEurope

July 2023

TRANSPORT

Construction of the “Suriname – Guyana Bridge” over the Corantijn River to increase mobility and connectivity between the countries, as well as trade possibilities.

CLIMATE & ENERGY

Rehabilitation of Paramaribo’s historic centre and climate change adaptation and mitigation measures.

Regional - Caribbean - Transport

Improve maritime connectivity in the Caribbean to foster regional integration, economic growth and food security.

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
