

EU-Jamaica: Country project examples

#GlobalGateway #TeamEurope

July 2023

PRIORITY 2023

CLIMATE & ENERGY

Support the development of the green bond market in LAC, thus mobilising capital to finance a sustainable transition.

CLIMATE & ENERGY

Renewable energy production.

TRANSPORT

- Targeted investment to position Jamaica as a global logistics hub
- Improvement of solid waste management in the Harbour area and urban renewal

DIGITAL

- Inclusive access to digital technologies in education and MSMEs
- Island-wide broadband access

Regional - Caribbean - Transport

Improve maritime connectivity in the Caribbean to foster regional integration, economic growth and food security.

Regional - Caribbean - Climate & Energy

Turn Sargassum algae from a threat to an economic opportunity (e.g. biofuel, water purification, agriculture).

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
