

# EU-Liberia: country projects

#GlobalGateway #TeamEurope

April 2024

## JOBS AND GROWTH

- Improving **youth employability** by providing technical and vocational education and training and promoting entrepreneurship
- Promoting **private sector development** and economic opportunities for individuals and small and medium enterprises, and fostering entrepreneurship and decent employment, in particular for youth and women

## GOOD GOVERNANCE

- Promoting **public and financial management** reforms to foster transparency and accountability
- Supporting the **electoral cycle** and enhancing democratic participation
- Promoting **women's rights** while countering gender-based violence

## AGRICULTURE AND FISHERIES

- Supporting the **agroecological transition** and the productivity and competitiveness of farmers and fisherman in sustainable agribusinesses in the value chains of rice, cassava, cocoa and fish
- Adopting sustainable agricultural practices such as agroforestry and organic farming to increase food and nutrition security and food sovereignty

## FOREST

- Supporting the **regeneration and conservation** of biodiversity and agroecological systems, namely in the landscapes of Mount Nimba, Gola-Foya-Kpo, and Tai-Grebo-Sapo, while improving local communities' livelihood conditions
- Increasing **job creation and income generation** in the forest sector, including through sustainable logging and value-added processing of forest products

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
