### on an individual measure for Cameroon to be financed under the 11th European Development Fund

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) 2015/322 of 2 March 2015 on the implementation of the 11th European Development Fund<sup>1</sup> (EDF), and in particular Article 9(1) thereof,

Having regard to Council Regulation (EU) 2015/323 of 2 March 2015 on the financial regulation applicable to the 11th European Development Fund,<sup>2</sup> and in particular Article 26 thereof,

Whereas:

- (1) The Commission has adopted the 10th EDF country strategy paper for Cameroon and the multiannual indicative programme for 2008-2013, point 1.2.1 of which sets out the following priority areas: (a) governance and (b) trade and regional integration. The national indicative programme for the 10th EDF also contains a Technical Cooperation Facility project to be completed by the end of 2014. Since the multiannual indicative programme for the 11th EDF was adopted in 2014<sup>3</sup>, a new technical cooperation facility project needs to be formulated under the 11th EDF to ensure ongoing support for the management of cooperation between the EU and Cameroon.
- (2) The individual measure financed under the 11th EDF ('Technical Cooperation Facility') is intended to improve cooperation between the EU and Cameroon by supporting the identification, formulation, monitoring and evaluation of projects planned under the 11th EDF, but it will also comprise support to the National Authorising Officer (NAO) and the visibility of Cameroon-EU cooperation. Building on the work undertaken under the 10th EDF, the aim will be to adapt and optimise the administrative, financial and technical control and management capacities of Cameroon-EU cooperation by way of the NAO support mechanism and to increase the visibility of Cameroon-EU cooperation.
- (3) A financing decision should be adopted, the detailed rules of which are set out in Article 94 of Commission Delegated Regulation (EU) No 1268/2012,<sup>4</sup> applicable by virtue of Article 26 of Regulation (EU) 2015/323.
- (4) The Commission should delegate budget-implementation tasks under indirect management to the partner country specified in this Decision, subject to the conclusion
