

Circular Transition & Economy

- Strengthening the conditions for developing sustainable finance in Peru
- Consolidating new public-private partnerships, policies, and regulations for green development
- Funding the construction of a potable water treatment plant in **Chimbote District**, connecting 1 800 homes
- Co-financing a wastewater treatment plant for the sewage system, connecting 7 000 homes
- Co-financing the construction of a 500kV transmission line and two new substations that will link **Chorrillos Substation** in Ecuador with the **La Niña Substation** in Peru
- Enhancing the conditions for sustainable solid waste management and valorisation
- Enabling the adoption of circular water and sanitation management

Good Governance & Democracy*

- Strengthening Peru's electoral integrity and reducing the risks of conflict and violence during elections
- Following up on the implementation of electoral reforms
- Increasing the representation and participation of under-represented groups, especially women and youth
- Ensuring that citizens are better informed about political issues and electoral processes
- Promoting gender equality policy and legislation and raising local awareness of gender-related issues, rights, and protections

Social Protection & Migration*

- Creating a universal and inclusive social protection system with equal opportunities for all beneficiaries
- Designing and enforcing inclusive legal and policy frameworks for different types of social protection and employment policies
- Increasing the coverage, inclusivity, and quality of existing social protection programmes and services
- Improving socio-economic integration and social protection for immigrants and refugees
- Mobilising investments for quality health services in the **San Martín de Porres region**
- Promoting a formal economy with more opportunities for decent work

* This domain is outside Global Gateway but complementing engagement under it.

These outputs provide an overview of the main domains of actions of the EU in the partner country, pursuing a Team Europe approach.
