of 5.9.2023

amending Commission Decision C(2020)3494 final of 26.5.2020 on the financing of the Annual Action Programme 2020 – part 1 in favour of the United Republic of Tanzania

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) 2015/322 of 2 March 2015 on the implementation of the 11th European Development Fund¹, and in particular Article 9(1) thereof,

Having regard to Council Regulation (EU) 2018/1877 of 26 November 2018 on the financial regulation applicable to the 11th European Development Fund, and repealing Regulation (EU) 2015/323², and in particular Article 24 thereof,

Whereas:

- (1) By its Decision C(2020)3494 final the Commission has adopted the Annual Action Programme 2020 – part 1 in favour of the United Republic of Tanzania.
- (2) The purpose of the present amending decision is to allow both indirect and direct management implementation modality of the Action. Direct management has been introduced for Budget Support while Indirect Management with an International Organization has been kept as in the original Decision. Indirect management with the Partner Country has failed due to the delays in the procurements of supplies and technical assistances for the achievement of the two first objectives of the Action.
- (3) The aid modality of the Action must be modified from full project implementation management to a combination of budget support and project modality under the request of the government in the interest of cost effectiveness and a more efficient and rapid implementation.
- (4) Therefore, Commission Decision C(2020)3494 final should be amended accordingly.
- (5) This amending decision is adopted in accordance with the opinion of the EDF Committee established under Article 8 of the Internal Agreement,
