

Digital Marketplace for Green Energy Transition

Exhibition

Online | April 20-21, 2021

Join innovative stakeholders in **achieving a net-zero future** propelled by Green Energy to power Africa's development for people and businesses.

Here is your chance to **dialogue and promote your project**, while engaging in high-level discussions with voices and talents from across Africa and Europe, focusing on how EU and African partnerships can support a sustainable transition in Africa.

This is an opportunity to **network and build new bridges** in the **green energy sector** by participating in exhibitions, workshops and conferences, as well as business to business and business to government meetings.
