

EU-LAO People's Democratic Republic: country projects

#GlobalGateway #TeamEurope

March 2024

GOOD GOVERNANCE

- Improving the dialogue between civil society organisations (CSOs) and State institutions
- Supporting the implementation of citizen-oriented decision-making processes
- Strengthening access to justice

EDUCATION AND RESEARCH

- Providing and facilitating access to education for all children
- Investing in teacher trainings
- Updating vocational training programmes to meet the needs of current and future labour markets
- Advocating for a sufficient state budget allocation to the education sector

CLIMATE AND ENERGY

- Development of sustainable coffee and tea sectors through agro-ecological community-based action
- Sustainable use and conservation of forests and strengthening forest-based value chains
- Support to private investment in agriculture and forestry through the use of guarantee tools

YOUTH CLIMATE ACTION

Engaging with youth to raise awareness about climate change and reducing emissions via information dissemination, tree planting activities, environmental education, and public events.

Regional - East Asia - Transport

Rehabilitation of the National Road 2 for enhanced connectivity and trade between Laos, Vietnam and Thailand.

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
