EDUCATION AND RESEARCH

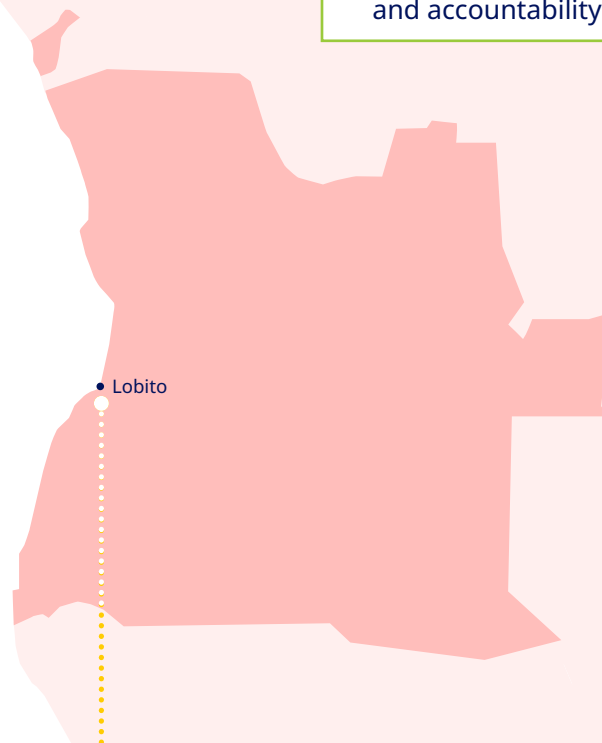

Technical and Vocational Education and Training (TVET): equipping workers, including women and youth, with the relevant skills and qualifications to contribute to the diversification of the country's economy

GOOD GOVERNANCE

- **Strengthening the justice system** (including through e-justice), and supporting relevant institutions on **public finance management reforms**
- Strengthening the capacity of **civil society** to play a role in national policy dialogues and promote transparency and accountability

SUSTAINABLE ECONOMIC DIVERSIFICATION

- Upgrading selected **value chains** in agriculture and fisheries to increase job opportunities, local consumption, and food security
- Capacity building and sharing best practices to foster Angola's **integration into continental and regional markets**
- **Environment:** supporting the transition to a clean, efficient, and circular economy
- **Renewable energy:** construction of infrastructure, support to regulatory framework, and the development of the private sector
- **Formalisation of the economy:** expanding access to social protection, financial services and business-related trainings for businesses and vulnerable workers, especially women

Regional - North-West Africa - Transport

Strategic regional transport corridor connecting the southern region of the Democratic Republic of Congo (DRC) to the north-western part of the Republic of Zambia, ensuring seamless access to regional and global trade markets via the Port of Lobito in Angola

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.
