

EU-Kazakhstan: country projects

#GlobalGateway #TeamEurope

February 2024

GOOD GOVERNANCE

- Strengthening **civil society organisations'** capacities and role as local governance and accountability actors
- **Rule of law:** strengthening the existing legal framework and institutions

CLIMATE AND ENERGY

Strategic partnership in the fields of **Critical Raw Materials (CRM), batteries and renewable hydrogen:** increasing the resilience of CRM supply chains, harmonising the regulatory framework in the CRM industry and to achieving mutual recognition of the quality of products.

Regional - Central Asia - Transport

Improving **transport connectivity along the Trans-Caspian Corridor** with Central Asia.

JOBS AND GROWTH

Promoting a more diverse, green and circular economy, with emphasis on women and youth-led micro, small and medium-sized enterprises (MSMEs).

Regional - Central Asia - Climate and Energy

Team Europe Initiative on **Water, Energy and Climate Change** to promote integrated water-energy management, food security, decent jobs, sustainable growth as well as increased investment for a green transition.

Regional - Central Asia - Digital

Team Europe Initiative to establish a supportive environment for **digital connectivity**, promote regulatory and legislative reforms, and last mile access for vulnerable communities and cybersecurity.

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
