Mindanao

• Consolidate the peace process in Mindanao
• Strengthen access to justice, help address corruption, and ensure respect of human rights and gender equality

DIGITAL
• Copernicus programme on Earth observation for disaster risk management and development of a data centre hub
• Digital Economy Package: enhance secure and reliable connections, both domestically and internationally, to expand Copernicus in ASEAN, strengthen cybersecurity, and support the roll-out of 5G networks

CLIMATE AND ENERGY
Green economy: improve waste management, tackle the plastic crisis, promote energy efficiency and renewable energy deployment.

EDUCATION AND RESEARCH
Support to further improve seafarers’ education, training, and the certification system.

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
