

# EU-Asia and the Pacific flagship projects

#GlobalGateway #TeamEurope

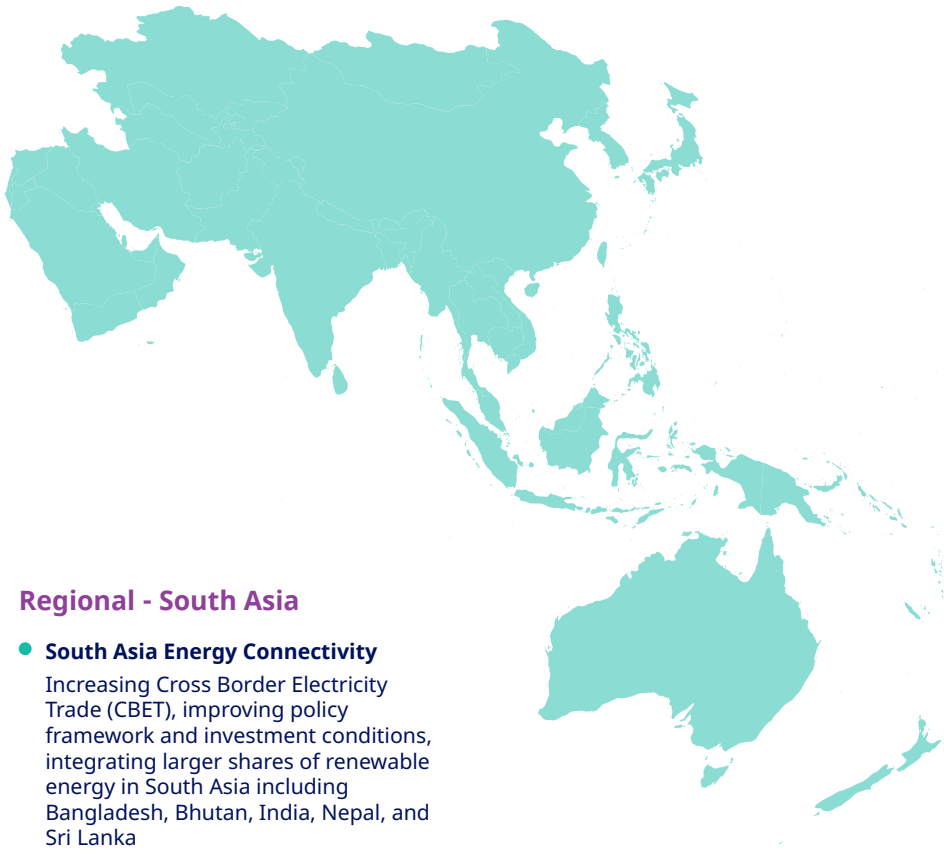

January 2026

## Global

- **Private mobilisation fund** for climate resilience investments in land-use and water
- **Global Gateway Green Shipping Corridors and Hubs**
- Supporting global development and use of **Sustainable Aviation Fuels**
- **Global Maritime Technology Cooperation Centres: phase 2**  
Strengthening the global network of cooperation centres in Latin America, Caribbean, Africa, and Pacific

## Regional - Central Asia

- **Digital Connectivity**  
Enhancing Central Asian businesses' and citizens' access to a secure, high-speed internet through trusted satellite connectivity
- **Critical Raw Materials**  
Enhanced cooperation on CRM with all five Central Asian countries
- **Sustainable Transport Connectivity** including the development of the Trans-Caspian Transport Corridor

## Regional - South Asia

- **South Asia Energy Connectivity**  
Increasing Cross Border Electricity Trade (CBET), improving policy framework and investment conditions, integrating larger shares of renewable energy in South Asia including Bangladesh, Bhutan, India, Nepal, and Sri Lanka

## Regional - South East Asia

- **Transport corridor**  
Upgrade of the Laotian national highway n° 2 linking Thailand, Laos, and Vietnam

## Regional - Central Asia and Mongolia

- **Partnerships with private institutional investors** on climate-smart solutions, digital transformation and financial inclusion

## Regional - Pacific

- **Climate**  
Kiwa Initiative: Strengthen the climate resilience of Pacific Islands ecosystems, economies and communities

● Digital ● Climate and Energy ● Transport ● Health ● Education and Research

These outputs do not capture the whole of the Team Europe engagement in the countries. They capture concrete Team Europe investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology. The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the EU.

# EU-Asia and the Pacific flagship projects

## Uzbekistan

- Aral Sea project: restore degraded land while promoting agricultural and pastoral livelihoods, improving health, and enhancing biodiversity in Karakalpakstan

## Kazakhstan

- Strategic partnership on raw materials, batteries and renewable hydrogen

## Tajikistan

- Rogun Dam hydro-power plant construction

## Mongolia

- Mongolia Renewable Energy, including the construction of Choir-Sainshand energy transmission line and substations
- EU-Mongolia Forest Partnership

## Nepal

- Green Recovery
- Quality Education for All: supporting inclusive education, especially for girls, Education Sector policy implementation, and teacher development

## Iraq

- Reconstruction of cultural heritage in historical urban centres

## Pakistan

- Climate Resilient Infrastructure and Technical and Vocational Education and Training (TVET) Centres
- Livelihood Support and Community Infrastructure Programme (LACIP)

## India

- EU-Africa-India Digital Corridor
- Urban Infrastructure and Renewable Energy India Package

## Bangladesh

- Connectivity Revolution: Transforming Lives
- Bangladesh Renewable Energy Facility: development of solar and wind power energy

# EU-Asia and the Pacific flagship projects

## Laos

- Increasing investment, connectivity and trade in agriculture and forestry
- Skills for Tourism, Agriculture and Forestry (STAF) Programme

## Thailand

- Implementation/upgrading of the critical infrastructure of Thailand's main energy operator, the Electricity Generating Authority of Thailand (EGAT)

## Vietnam

- Just Energy Transition Partnership (JETP), including focus on Bac Ai Pumped Hydro Storage Project, Tra Vinh project expansion and Tri An hydropower plant

## Philippines

- Digital Transformation and Connectivity Initiative

## Indonesia

- Nusantara: building prosperity with government digitalization and sustainable and digital development of the new capital
- Just Energy Transition Partnership (JETP)
- Double tracked upgrading and electrification of suburban train

## Papua New Guinea

- Rehabilitation of the port of Rabaul and infrastructure greening
- Support to Rural Entrepreneurship, Investment and Trade

## Kiribati

- Christmas Island Port

## Vanuatu

- TAM TAM Submarine Cable linking Vanuatu and New Caledonia

## Cambodia

- Water treatment plant in Phnom Penh
- One Health: cross-sectoral project, financial cooperation
- Partnership in education for green and digital jobs

## Malaysia

- Expansion of SiC (silicon carbide) Power Fab to world's largest 200-mm semiconductor production plant
- Development of the Port of Lumut Maritime Industrial City

## Fiji

- Construction of Qaliwana and Vatutokotoko hydro power plants in Viti Levu
