

# EU-Ecuador: Country project examples

#GlobalGateway #TeamEurope

July 2023

**PRIORITY 2023**

## CLIMATE & ENERGY

Team Europe Initiative - A Green Deal for Ecuador: innovations and investments at decentralised level enhancing:

- institutional and financial framework relevant for Green Deal and ecological transition
- climate low-carbon and climate-mitigation projects at decentralised level

## HEALTH

Expansion and improvement of drinking water and sanitation systems in Quito, Portoviejo Municipality and Guayaquil. Water management projects in areas with highest prevalence of chronic childhood malnutrition.

## TRANSPORT

Sustainable mobility.

## CLIMATE & ENERGY

Support the development of the green bond market in LAC, thus mobilising capital for financing a sustainable transition and access to finance.

## CLIMATE & ENERGY

- Ukumari EU-Ecuador Forest Partnership promoting sustainable use of forest biodiversity and knowledge on agroforestry and forest recovery
- Protection of Galápagos reserve

## CLIMATE & ENERGY

- Renewable energy and infrastructure electricity transmission Ecuador-Peru
- Strengthen regional energy integration of the Andean Electricity Interconnection System

**PRIORITY 2023**

## HEALTH

Childhood vaccination campaign to improve future pandemic preparedness, the long-term resilience of the healthcare system and the delivery of essential public health services.

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
