

EU-Tanzania: Country projects

#GlobalGateway #TeamEurope

October 2023

GREEN & SMART CITIES

- Invest in green infrastructures to boost local economic growth and circular economy
- Empower authorities in (e-)governance and improve public service delivery
- Enhance life quality in targeted cities

Kagera region

• Promote urban resilience and stimulate local economies

GENDER EQUALITY

Gender Transformative Change Programme 'Breaking the Glass Ceiling': Accelerate behavioral change for gender equality, raise awareness of gender-based violence, promote women's economic empowerment, and boost equality in leadership and decision-making.

ENERGY

- Budget support through 'Tanzania Energy Sector Reform programme'
- Construction of the Kakono Hydropower Plant

DIGITALISATION

Budget support through 'Digital4Tanzania' to improve the digital economy, increase accessible connectivity to services, and develop innovation ecosystems.

FINANCE FOR GROWTH

- Enhance fiscal governance and finance access for sustainable development
- Create an enabling environment for business and investment
- Widen affordable finance in low private investment regions
- Boost public administration's revenue and service delivery capacity
- Promote accountability

BLUE ECONOMY

- Support the design and governance of Blue Economy policies
- Drive investments in key infrastructures and innovative businesses
- Boost circular economy, climate adaptation, and green finance access
- Unlock ocean and coastal economy potentials like fisheries, forestry, and eco-tourism
- Preserve environment and biodiversity for climate resilience
- Generate jobs, growth, and support Tanzania's climate commitments

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement of acceptance by the European Union. Source: European Commission – Eurostat/GISCO
