

# EU-Nepal: country projects

#GlobalGateway #TeamEurope

April 2024

### NUTRITION

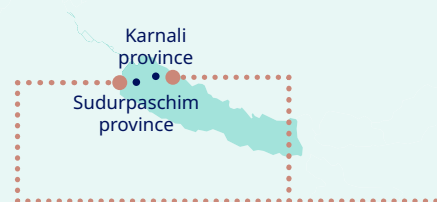

Supporting Nepal's Multi-Sector Nutrition Plan to improve maternal, adolescent, and child nutrition throughout the country.

### EDUCATION AND RESEARCH

- Increasing equitable and inclusive **access to education**, especially girls
- Quality education:** training of teachers, use of modern and effective pedagogical methods
- Promoting **good governance** in school education by developing institutional capacity at local level

### CLIMATE AND ENERGY

- Developing markets for **renewable energy** technologies and energy efficiency measures to achieve 100% access to electricity by 2030
- Supporting access to **Water, Sanitation, Hygiene measures** in the most remote rural areas of Nepal

### RURAL DEVELOPMENT

Strengthening agricultural ecosystems in the **Sudurpaschim and Karnali provinces** of Nepal through Green Resilient Agricultural Productive Ecosystems, focusing on:

- green local economic development
- supporting establishment and facilitation of Public-Private Partnerships in selected **value chains**
- research and innovation, improving cooperation among universities and training institutions

### Regional - South Asia - Climate and Energy

Support to regional energy connectivity and cross-border electricity trade between Nepal, India, Bangladesh, and Bhutan.

### WOMEN'S EMPOWERMENT

Strengthening services for gender-based violence responses, promoting decent economic opportunities, and building capacity of institutions to be able to promote and advance gender equality.

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
