# COMMISSION IMPLEMENTING DECISION

of 11.11.2022

## on the financing of the individual measures in favour of the Federal Democratic Republic of Ethiopia for 2022 (part 2)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union (TFEU),

Having regard to Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012<sup>1</sup>, and in particular Article 110 thereof,

Having regard to Regulation (EU) 2021/947 of the European Parliament and of the Council of 9 June 2021 establishing the Neighbourhood, Development and International Cooperation Instrument – Global Europe, amending and repealing Decision No 466/2014/EU and repealing Regulation (EU) 2017/1601 and Council Regulation (EC, Euratom) No 480/2009<sup>2</sup> and in particular Article 23(3) and (5) thereof,

Whereas:

- (1) In order to ensure the implementation of the individual measures in favour of the Federal Democratic Republic of Ethiopia for 2022 (part 2), it is necessary to adopt an annual financing decision, which constitutes the annual work programme, for 2022. Article 110 of Regulation (EU, Euratom) 2018/1046 ('the Financial Regulation') establishes detailed rules on financing decisions.
- (2) The envisaged assistance is to comply with the conditions and procedures set out by the restrictive measures adopted pursuant to Article 215 TFEU<sup>3</sup>.
- (3) The objectives pursued by the individual measures to be financed under the Regulation (EU) 2021/947, geographic programme 'Sub-Saharan Africa', are to promote the sustainable development in the Federal Democratic Republic of Ethiopia by contributing to sustainable peace and social cohesion as well as by supporting the response to the current food crisis in particular.
- (4) Pursuant to Article 23(3) of Regulation (EU) 2021/947 of 9 June 2021 the use of individual measures without a programming document is in this case justified by the ongoing conflict in Ethiopia. This conflict has led to the deterioration of relations between the EU and the Federal Democratic Republic of Ethiopia, which translates into the EU unwillingness to proceed with the Multiannual Indicative Programme until

international law is respected by the Government of Ethiopia. Nevertheless, Ethiopia's short and medium term perspectives are uncertain with consequences for the stability of the Horn of Africa and direct implications on the EU itself (e.g. migration; EU investments in the country). Therefore, the EU remains committed to continue supporting vulnerable populations through individual measures with a focus on basic needs and recovery.

- (5) The Ethiopian crisis that erupted in November 2020 led to massive and acute social and humanitarian needs in the whole country. It continues to generate large scale displacements, high difficulties to access basic social services and vast humanitarian needs. These individual measures are meant to directly support most vulnerable populations. Concretely it will aim to foster peace and social cohesion as well as to address the impact of the conflict and drought on food security with a special focus on the poorest households.
- (6) The action entitled 'Promoting inclusive and gender sensitive reconciliation and peace building in Ethiopia' aims to contribute to sustainable peace and social cohesion in Ethiopia.
- (7) The action entitled 'Food crisis response and social protection in rural areas of Ethiopia' aims to reduce rural poverty and improve food security and nutrition of vulnerable populations in Ethiopia, particularly those affected by conflict and drought.
- (8) Pursuant to Article 26(1) of Regulation (EU) 2021/947 indirect management is to be used for the implementation of the action set out in Annex 2.
- (9) The Commission is to ensure a level of protection of the financial interests of the Union with regards to entities and persons entrusted with the implementation of Union funds by indirect management as provided for in Article 154(3) of the Financial Regulation.

To this end, such entities and persons are to be subject to an assessment of their systems and procedures in accordance with Article 154(4) of the Financial Regulation<sup>4</sup> and, if necessary, to appropriate supervisory measures in accordance with Article 154(5) thereof before a contribution agreement can be signed.
- (10) It is necessary to allow for the payment of interest due for late payment on the basis of Article 116(5) of the Financial Regulation.
- (11) In order to allow for flexibility in the implementation of the two actions, it is appropriate to allow changes which should not be considered substantial for the purposes of Article 110(5) of the Financial Regulation.
- (12) The measures provided for in this Decision are in accordance with the opinion of the Committee established under Article 45 of Regulation (EU) 2021/947.
