

# EU-Belize: Country project examples

#GlobalGateway #TeamEurope

July 2023

## DIGITAL

- Better business and innovation climate for MSMEs: digital solutions, including licensing processes and civil registration services
- Services to support women-led MSMEs located in rural communities with the uptake of digital technologies

## CLIMATE & ENERGY

- Financing small infrastructures for indigenous communities
- Improve access to credit for MSMEs, individual farmers

Toledo District

### Regional - Caribbean - Transport

Improve maritime connectivity in the Caribbean to foster regional integration, economic growth and food security.

### PRIORITY 2023

### Regional - Central America - Climate & Energy

Five Great Forests of Mesoamerica initiative seeks to form multi-stakeholder partnerships to protect 10 million hectares of forests, restore 500,000 hectares of forest, prevent species extinction and eradicate illegal cattle farming by 2030, ensuring that forests are used sustainably.

### Regional - Caribbean - Climate & Energy

Turn Sargassum algae from a threat to an economic opportunity (e.g. biofuel, water purification, agriculture).

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
