

EU-Brazil: Country project examples

#GlobalGateway #TeamEurope

June 2023

PRIORITY 2023

CLIMATE & ENERGY

Preventing deforestation and promoting sustainable bioeconomy and traceability of supply chains (Team Europe-Brazil Tropical Forest Initiative). Implementation of the Amazonia+ programme.

CLIMATE & ENERGY

- Financing of projects on renewable energy and energy efficiency and promotion of green hydrogen.
- Co-financing solar and wind-power infrastructure.

CLIMATE & ENERGY

Green low-carbon technologies for SMEs and companies.

Brazilian Amazon

State of Paraná
State of Santa Catarina

PRIORITY 2023

Regional - LAC - Digital / Education

Internal connection to the Bella project via the ELLA-link optic cable (35,000 km) to catalyse EU-Brazil business partnerships and cooperation in innovation and research, and social inclusion.

CLIMATE & ENERGY

Modernisation of the water and sewage services of the public water utility providers.

These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
