These outputs do not capture the whole of the Team Europe engagement in country. They capture concrete infrastructure investments under Global Gateway. They will be accompanied by soft measures in a 360° approach, so as to improve the policy, regulatory and business environment, develop skills, foster innovation and transfer technology.

**GOVERNANCE & DIGITAL TRANSFORMATION**

- Support within the regional Team Europe Initiative on Digital Connectivity
- Provide technical assistance for public finance management

**GREEN & CLIMATE RESILIENT ECONOMY**

- Promote agricultural transformation towards social and environmentally inclusive food systems
- Support sustainable and just green transition in Central Asia, improve regional cooperation and governance for sustainable development and invest in a regionally integrated transition
- Promote green practices and capacities among policymakers, producers and consumers through a multi-donor Green Economy Programme

**HUMAN DEVELOPMENT**

Promote equitable quality education, inclusive learning materials and boost digital skills for media literacy and green skills training for teachers and students.

**REGIONAL PROGRAMMES**

- Team Europe Initiative on Digital Connectivity to enhance global internet access in Central Asia, bridge digital divides, promote digital governance reforms, and activate the Digital4Development Hub for Asia-Pacific
- Team Europe Initiative on Water, Energy and Climate Change to promote integrated water-energy management, food security, decent jobs, and sustainable growth in Central Asia with green transition investments
